Foreword

This was Forest Park High—1961-62, a school ever moving forward, onward and upward, reaching to greater heights, and looking ever to bigger and better things.

This is the school we, the students of Forest Park, have loved for so many years . . .

Forest Park, we'll ever love thee,
To thee e'er be true;
Always cherish and uphold thee,
Hail to our dear school!

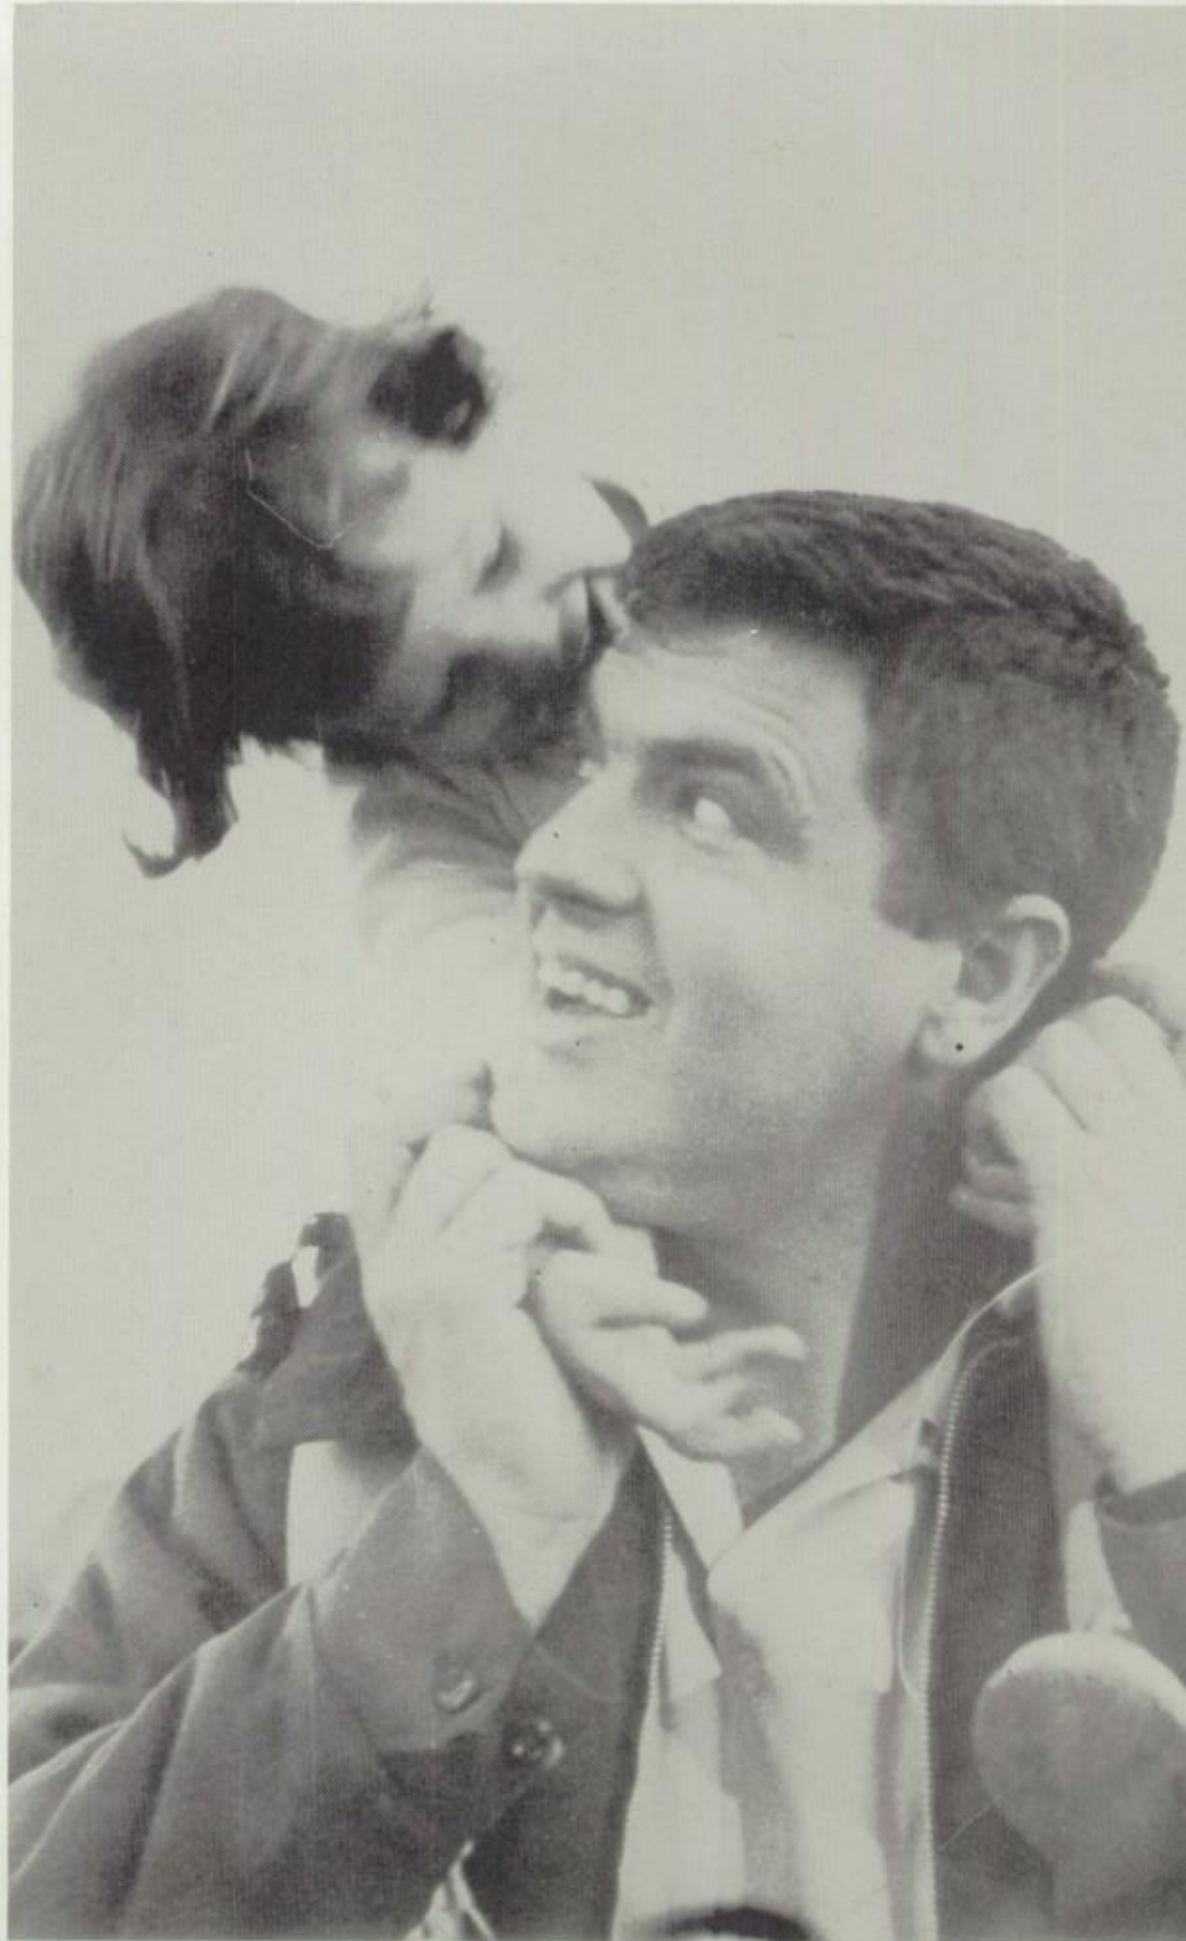

Hail to thee, our Alma Mater
Hail thy name so bold;
Proudly flows the banner o'er us,
Cheer the Wine and Gold!

Dedication

When the time comes to select someone to whom we wish to dedicate our yearbook, there are many things which we bear in mind.

We, first of all, think of someone who is held in high esteem by the student body. We naturally think of someone who has given fond and sincere service to our school; someone who has worked in devotion to make our school a better and more prosperous institute of education. We always consider someone who is to the student body an example by which we may pattern our lives, personally, spiritually and morally. We then think of someone both respected and loved by the student body.

Bearing all these things in mind, we have selected for our dedication, our principal, Mr. Emmett L. Lee.

Mr. Lee in a scene not often seen by the student body. As busy as Mr. Lee is, he finds time to spend with his daughter, Georgia Lou.

Mr. Lee came to our school in 1958 and served as Assistant Principal for three years. For the past two years, Mr. Lee has served Forest Park well as Principal, and we feel that much credit for the success of our school must be given to his earnest work and sincere interest.

Mr. Lee and his wife are often seen in the halls working together to ease the traffic problem. Mr. Lee is not only a devoted principal but a devoted husband and father.

Mr. Lee spends endless hours working with members of the student body not only in curricular, but in extracurricular activities. Here he is seen with Junior Civitan President, Mary Nell Carbo.

Mr. Lee, busy about his school's business, finds little time to rest and works overtime many days of the week and weekend.

This Was Forest Park High 1962 . . .

New clubs are formed and members and officers take part in installation services. One of our new clubs, the Junior Civitan, installs its members.

Where there are cheers, there must be tears.

The spirit of Forest Park rides highest during football season. Both players and students give it "all they've got" as they maintain Forest Park's record of good sportsmanship.

Hey, what's this? Hide and seek or something?

Football season is also a season for dances. Victory dances of course! This dance after Homecoming is typical of many of the dances held after football games.

After the game, snacks, fun, and frolic are part of our school's life.

The end of mid-term turns all eyes and thoughts to the prom. Here Junior boys rent their tux for this occasion.

Hey, What's this? A new marching band? Football players, Loving, Head, and Haygood, highstep with Majorette Mary Ann Christian. Just another gag to spark spirit.

The end of dash for scramble

Basketball season brings more cheers, more pep rallies. Basketball players take a big part and cheer enthusiastically.

An exciting moment for Juniors! Receiving class rings brings thrills, for this marks one step nearer to their senior year.

You dirty dog! You stole my lunch ticket!

Everyone makes a mad dash for the parking lot and joins the home.

And what lies ahead for the Seniors of '62? Whether it be a career in college or a pursuit of the business world, the memory of Forest Park High, 1962, will forever remain a part of our lives.

MR. EMMETT LEE

Principal's Message

Now that you have your 1962 *Retrospect* in your hands, you are in for a most enjoyable time. Mrs. Worsham and the yearbook staff always do a superb job, and they are to be congratulated again for the wonderful results of many hours of work.

Within the pages of this book, you will see pictures which will bring back memories of special events or maybe just an ordinary day in your school life. It is my most sincere hope that your memories of 1962 at Forest Park High will always be happy memories. This has been a year which I have enjoyed very much, and I treasure most the complete cooperation which I have received from both students and teachers. You have seemed at all times to maintain your sense of humor, your willingness to work wholeheartedly for a better school, and your desire to learn the necessary things to help you become better citizens and more enlightened students.

Some of the pictured events will remind you of times when Forest Park competed with some other school. I trust you will remember the emphasis we have tried to place on fair play and good sportsmanship and that you will carry these lessons over to all phases of your every day life.

Let's enjoy this book and treasure it as a record of pleasant and profitable memories — a record made possible for us by a wonderful hard-working staff.

THIS WAS FOREST PARK HIGH 1962

As we leave the halls of Forest Park High, we shall not forget the years we have spent among these fortresses. The memories we hold are many and fond and shall remain with us in infinity.

We may leave this building, but its memories will never leave us. This school — this building has become a vital and memorable part of our lives and it will remain a part of our hearts, of our minds — forever.

We the seniors bid a fond farewell to Forest Park High.

May you always
have the luck you
deserve. Now just how
much that is I'm not
going to say. No, really you
are a great guy. We have had
loads of fun in English.
